

**Resume:** Ben McElroy

**Contact:** <http://www.bemdesign.com/wordpress/about>

**Web site:** <http://www.bemdesign.com>

## » Experience

### **GRAPHIC DESIGNER/WEB DESIGNER (2006-Present)**

Graphic designer for Michigan Public Health Institute ([www.mphi.org](http://www.mphi.org)) providing design services for internal and external clients, including the State of Michigan. Work included print and identity design, web design and front end development, e-learning, and audio/video editing. Promoted to Senior Graphic Designer. After recent reorg, now working as Graphic Designer/Web Designer for Application Development team.

### **GRAPHIC DESIGNER (2005 - 2006)**

Graphic designer for mediaRAIN (now named rain), a full service marketing studio. Work included icon design, font creation, user interface design, web design, sound editing and preparing files for press.

### **ASSISTANT MANAGER (2004)**

Assistant manager for Penny Creek LLC, a commercial property investment and management group. Duties included general assistance with every-day management including handling vendors, tenant relations, preparing estimates, receiving bids, and producing reports.

### **GRAPHIC DESIGNER (2002 - 2004)**

Provided graphic design services for Brigham Young University's L. Tom Perry Special Collections. Also assisted the Conservation and Exhibits Lab in setting up and maintaining internal library exhibits. Work included large format printing and mounting as well as designing and preparing files for press.

### **MARKETING RESEARCH ASSISTANT (2000)**

Assisted Synergy Marketing in marketing several companies' products. This involved internet research, contact database creation, first contact letters, phone calls, and preparing presentation packages.
